VISION BRIEFING

Our vision is the transformation of lives with the new vision building.

Bishop Heber M. Brown 11 - Pastor

www.shilohedgemere.org

Greetings Saints,

Words seems so inadequate to describe the favor that God has bestowed upon this ministry. It is not by chance, luck or serendipity that we find ourselves in the midst of this monumental leaf of faith in the life of Shiloh Baptist Church. With the purchase of our newly acquired building, God has given us over 12,800 square foot along with clear instructions to go and occupy it and bring change to the community. But if you look at this acquisition purely through human eyes, all you see is brick and mortar. It is not until you put on your faith glassess that you see the day care center that will transform lives, and a luxury dining hall complete with a commercial kitchen that will not only serve Shiloh, but will also serve our community, this is what we have been commissioned to accomplish and so much more.

Over the next year our vision forward faith capital campaign will challenge you to believe in and trust God like never before. Search your heart and hear from God on your commitment. I'm sure the enemy will come at you and try to keep you from honoring your commitment. Please do not become weary in well doing. God said in His word - "Prove me now herewith, said the Lord of host, If I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it,"

On this day, I join my faith with your faith, and declare together, our faith moves us forward.

Forward Faith

From the Desk of the Project Manager Overseer Nigel Allen

To My Fellow Vision-Bearers,

In response to the continous growth and emerging vision and its opportunities, we have acquired this property to serve as a multi-purpose facility that will allow us to serve our community at large. What a priviledge for God to include us in this monumental expansion of the vision of the Shiloh Baptist Church, as we expand our ministry campus.

This spiritual journey is an exciting one, and it is one that commands our forward faith. We must allow God to do the miraculous collectively and individually. We must seek His face and His will and we must walk in His obedience. God is so gracious that He has given us the right person to guide us on the Forward Faith journey. God has given us a visionary, a vision-caster who has the heartbeat of God. One who has the insight and the foresight now to take us Faith Forward. We salute our Pastor, Bishop Heber M. Brown II.

As Kingdom citizens, we must develop and live a lifestyle of faith. Join me in remembering how far on the journey the Lord has already brought us, over 116 years, there is legacy, there is history, and there is faith. We are witnessess to the faithfulness of God. Let's continue to listen to His voice, obey His word and watch as the manifestation of our faith takes shape and impact a community for God.

The faith journey continues...

Rorward Raith?

The term "Forward Faith" - is truly a rallying cry to move forward by faith, in this new and exciting journey that God has for us and this community.

Our Forward Faith movement is best described as guiding principles that is further defined as we embrace our future, expand our ministry foot-print, and empower a community.

This empowerment facility, will be accomplished as we embrace the future, expand our ministry foot-print and empower our kingdom citizens, utilizing the tools available to do ministry in the excellence and five star manner we are accustomed to.

The development of this facility will be rolled out in two phases. Phase 1 will be the first floor and, phase 2 will be the second floor.

Periodic updates will be forth coming as we move forward in the journey.
